PROFESSIONAL PROFILE

Motivated Computer Science and Engineering student specializing in Artificial Intelligence & Machine Learning. Interested in developing strong programming foundations, exploring AI-driven solutions, and applying classroom learning to practical technology projects. Brings a collaborative mindset, curiosity, and a commitment to continuous improvement.

EDUCATION

B.Tech — Computer Science & Engineering (AI & ML)
Uka Tarsadia University

Expected Graduation: 2029 **Enrollment No.:** 202503103510440

TECHNICAL INTERESTS & LEARNING FOCUS

- Artificial Intelligence and Machine Learning fundamentals
- Programming and computational problem-solving
- Software and web application development
- Version control and collaborative development using GitHub

ACADEMIC PROJECT FOCUS

Personal Portfolio Website — Practice Project
A student portfolio concept focused on presenting academic background, technical interests, project work, and contact information in a clear, responsive format. This project area can be expanded as implementation and features are completed.

CORE STRENGTHS

Learning Agility — Willing to explore unfamiliar concepts and improve through practice.
Problem-Solving — Interested in breaking technical challenges into manageable steps.
Communication & Teamwork — Values clear communication, shared learning, and collaboration.
Adaptability — Open to feedback and new approaches when working toward a goal.

CAREER OBJECTIVE

To build practical experience through academic projects, internships, and collaborative learning opportunities while developing the technical and professional skills needed for a career in software development and AI/ML.
